

**Follow the guidelines below to provide the most effective film for Coach Wilson to review.**

## **Field Goal Film**

- **Film steps back and over**
- **Adding a simulated or live hold is OPTIONAL**
- **Kick from the middle**
- **Film from 3 angles: front, back, and side angles**
- **Side angle will be shot from the plant foot side of your body**
- **Ensure entire approach and follow through is caught on camera**

## **Punt Film**

- **Film from same angles as field goal film**
- **Adding a live or simulated snap is OPTIONAL**
- **Film ONE style of punt you want reviewed (ie. all 3 clips of pro style punting, rugby punting, aussie punting, etc.)**
- **Ensure entire approach and follow through is caught on camera**

## **Kickoff Film**

- **Film from same angles as field goal film**
- **Film steps back and over**
- **Film ONE style of kickoff you want reviewed (ie. all 3 slips of deep, directional, squib, sky, etc.)**
- **Ensure entire approach and follow through is caught on camera**

**You do not need to follow the ball on this film! This film is to focus on your form not the ball!**
